

Embracing Sustainability For A Greener Future

Trienekens Celebrates
**National Environment
Day 2023**

Group CEO's Message Warkah CEO Kumpulan

Mr. Stephen Chin

I am thrilled to have witnessed our company's steady and remarkable growth over this past year. This is a direct result of our continued commitment to delivering quality services for our customers through safe, efficient and innovative waste management solutions that prioritise their needs and satisfaction while emphasising on environmental sustainability.

At Trienekens, we fully understand that the foundation of our success lies in the satisfaction and trust of our customers. This success is a testament to the hard work, dedication and relentless efforts of our teams to provide outstanding services to our valued customers. Our recent win of the IKM Laboratory Excellence Award for 2023 in December motivates us to continue pushing boundaries to better serve our customers.

Crucially, as we grow, we are also mindful of our responsibility to the environment and society. Sustainability is not just a buzzword for us; it is one of the core principles that guide our decision-making and ensure that we contribute positively to the customers and communities we serve while minimising our environmental impact.

Our involvement in the state-level celebration of the National Environment Day in November reflected our keen interest and strong commitment to work closely with the state government to foster economic development while preserving our environmental resources. Through collaborations with the Natural Resources and Environment Board (NREB) Sarawak, the Department of Environment (DOE) Sarawak, local councils and other relevant agencies, we are eager to extend our full support and cooperation to the state government in putting environmental sustainability at the forefront of the state's development agenda.

I am also very happy to have met and talked with our team members at the recent Trienekens Annual Dinner. As we continue on this trajectory of growth, I encourage everyone to remain committed to delivering exceptional services to our customers and the community. As we celebrate our achievements and strengths, let us also remain focused on the journey ahead. Our commitment as a team will not only define our success but also contribute to a brighter and more sustainable future. Once again, thank you for your hard work and dedication.

I hope you will all enjoy reading more exciting company news and happenings in this latest edition of Madah Kita. As we come to the beginning of a new year, I wish all our readers a very Happy and Blessed year ahead!

Saya teruja melihat pertumbuhan syarikat yang baik dan luar biasa sepanjang tahun ini. Ini adalah hasil komitmen kita memberikan perkhidmatan berkualiti yang berterusan kepada pelanggan melalui penyelesaian-penyelesaian pengurusan sisa yang selamat, efisien dan inovatif yang mengutamakan keperluan dan kepuasan mereka sambil menekankan kelestarian alam sekitar.

Di Trienekens, kita memahami sepenuhnya bahawa asas kejayaan kita terletak kepada kepuasan dan kepercayaan pelanggan. Kejayaan ini adalah bukti kerja keras, dedikasi dan usaha gigih pasukan kita tanpa henti memberikan perkhidmatan yang cemerlang kepada para pelanggan yang kita hargai. Kemenangan Anugerah Makmal IKM 2023 yang baru kita perolehi pada bulan Disember telah mendorong kita untuk terus melangkaui batasan agar dapat memberikan yang terbaik kepada pelanggan kita.

Apa yang juga penting, sambil kita membangun, kita juga harus ingat tentang tanggungjawab kita kepada alam sekitar dan masyarakat. Kelestarian bukanlah sekadar kata-kata sahaja untuk kita; ia merupakan prinsip teras yang membimbing kita membuat keputusan dan memastikan kita menyumbang secara positif kepada para pelanggan dan komuniti-komuniti sambil mengurangkan impak ke atas alam sekitar.

Penglibatan kita di dalam sambutan Hari Alam Sekitar peringkat negeri pada bulan November lepas menggambarkan hasrat dan komitmen kukuh kita untuk bekerja erat dengan kerajaan negeri untuk membangun ekonomi sambil memelihara sumber-sumber alam sekitar. Melalui kolaborasi dengan Lembaga Sumber Asli dan Alam Sekitar (NREB) Sarawak, Jabatan Alam Sekitar (JAS) Sarawak, majlis-majlis tempatan dan lain-lain agensi berkaitan, berhasrat memberikan sokongan dan kerjasama penuh kepada kerajaan negeri untuk meletakkan kelestarian alam sekitar sebagai perkara utama di dalam agenda pembangunan negeri.

Saya juga amat gembira kerana telah bersua dan berbicara bersama dengan anggota-anggota pasukan kita di majlis Makan Malam Tahunan Trienekens baru-baru ini. Dalam kita meneruskan trajektori pertumbuhan ini, saya ini menggalakkan anda untuk terus berkomited di dalam memberikan perkhidmatan yang cemerlang kepada para pelanggan dan komuniti kita. Sambil kita meraikan pencapaian dan kekuatan kita, marilah kita sama-sama menumpu perhatian kepada perjalanan di hadapan kita. Komitmen kita sebagai satu pasukan bukan sahaja akan menentukan kejayaan kita tetapi ia juga akan menyumbang kepada masa hadapan yang lebih cerah dan lestari. Sekali lagi, terima kasih di atas usaha dan dedikasi gigih anda.

Saya berharap anda semua akan seronok membaca berita-berita terkini syarikat di dalam edisi terbaru Madah Kita ini. Dalam kita melangkah ke tahun baru, saya ingin mengucapkan Selamat Tahun Baru yang diberkati kepada semua pembaca!

Trienekens Celebrates National Environment Day 2023

Trienekens Meraikan Hari Alam Sekitar Negara 2023

YB Datuk Amar Professor Dr. Sim launching the state-level celebration along with other honourable guests.
YB Datuk Amar Professor Dr. Sim merasmikan sambutan peringkat negeri bersama dengan tetamu kehormat lain.

In a world faced with escalating environmental challenges, the call for collective action is louder than ever. This year's National Environment Day theme, "Environment Is a Shared Responsibility," represents a rallying call that unites individuals, communities, businesses and governments in a shared commitment to address and overcome environmental issues.

In 2023, Trienekens is honoured to have been part of the state-level celebration of the National Environment Day as one of the co-organising partners. The event was launched by the Premier of Sarawak YAB Datuk Patinggi Tan Sri (Dr) Abang Haji Abdul Rahman Zohari bin Tun Datuk Abang Haji Openg, represented by YB Datuk Amar Professor Dr Sim Kui Hian at the Dewan Undangan Negeri Sarawak. The momentous celebration highlighted the state's commitment to green development initiatives and technologies in creating a green, clean and sustainable Sarawak.

At the event, Trienekens in collaboration with the Natural Resources and Environment Board (NREB) Sarawak and WWF-Malaysia, unveiled the publication of the first ever solid waste management education book developed for primary school students, particularly members of NREB's Kelab Pencinta Alam Sekitar (PALS). The book aims to teach the young generation about the fundamental knowledge and best practices in solid waste management and environmental sustainability, including the concept of transforming waste into new resources while fostering circular economy.

The company also pledged support for NREB's PALS Club School Adoption Programme which will benefit eight primary schools in Kuching in their environmental initiatives.

Trienekens also received an appreciation certificate as one of the licensed vendors for the e-waste collection campaigns carried out by NREB and Department of Environment Sarawak throughout the year.

The unveiling of the solid waste management education book by YB Datuk Amar Professor Sim, NREB's Controller of Environmental Quality Sarawak, Jack Liam (fifth left), Trienekens Group CEO, Stephen Chin (second right), Associate Director, Sarawak and Conservation Science, WWF-Malaysia Kuching office, Dr Jason Hon (far left) and other guests.

Pelancaran buku pendidikan pengurusan sisa pepejal oleh YB Datuk Amar Profesor Sim, Controller Kualiti Alam Sekitar Sarawak NREB, Jack Liam (kelima dari kiri), CEO Kumpulan Trienekens, Stephen Chin (kedua dari kanan), Pengarah Bersekutu, Sarawak dan Sains Pemuliharaan, WWF-Malaysia pejabat Kuching, Dr Jason Hon (hujung kiri) dan tetamu lain.

Di dalam dunia yang berhadapan dengan cabaran alam sekitar yang kian meningkat, seruan untuk bertindak secara kolektif kini bertambah kuat daripada biasa. Tema Hari Alam Sekitar Negara tahun ini, “Alam Sekitar Tanggungjawab Bersama,” melambangkan seruan menyatukan individu, komuniti, perniagaan dan kerajaan dalam komitmen bersama untuk menangani dan mengatasi isu alam sekitar.

Pada 2023, Trienekens bangga kerana dapat menyertai sambutan Hari Alam Sekitar Negara Peringkat Negeri sebagai salah satu rakan penganjur. Acara ini telah dilancarkan oleh Ketua Menteri Sarawak, YAB Datuk Patinggi Tan Sri (Dr) Abang Haji Abdul Rahman Zohari bin Tun Datuk Abang Haji Openg, diwakili oleh YB Datuk Amar Profesor Dr Sim Kui Hian di Dewan Undangan Negeri (DUN) Sarawak. Sambutan besar-besaran tersebut telah menunjukkan komitmen negeri terhadap inisiatif dan teknologi pembangunan hijau dalam mewujudkan Sarawak yang hijau, bersih dan mampan.

Di majlis tersebut, Trienekens dengan kerjasama Lembaga Sumber Asli dan Alam Sekitar (NREB) Sarawak dan WWF-Malaysia, telah melancarkan sebuah buku pendidikan pengurusan sisa pepejal yang pertama kali diterbitkan untuk pelajar sekolah rendah, khususnya ahli Kelab Pencinta Alam Sekitar (PALS) NREB. Buku ini bertujuan untuk mendidik generasi muda tentang pengetahuan asas dan amalan terbaik dalam pengurusan sisa pepejal dan kelestarian alam sekitar, termasuk konsep mengubah sisa kepada sumber baharu sambil memupuk ekonomi kitaran.

Syarikat juga menyumbang sokongan kepada Program Sekolah Angkat Kelab PALS NREB yang akan memanfaatkan lapang buah sekolah rendah di Kuching dalam inisiatif alam sekitar mereka.

Trienekens juga telah menerima sijil penghargaan sebagai salah satu vendor berlesen di dalam kempen kutipan bahan buangan elektronik dan elektrik yang telah dijalankan oleh NREB dan Jabatan Alam Sekitar (JAS) Sarawak sepanjang tahun ini.

Trienekens Bags Laboratory Excellence Award Trienekens Terima Anugerah Kecemerlangan Makmal

(left to right) Dato' ChM Dr Hj Mas Rosemal Hakim Bin Mas Haris (Council Member of IKM), Nurul Afina binti Sumed (Process Chemist), ChM Halimah Binti Abdul Rahim (Registrar IKM Council) and ChM Li Hui Ling (Council Member of IKM).

(kiri ke kanan) Dato' ChM Dr Hj Mas Rosemal Hakim Bin Mas Haris (Ahli Majlis IKM), Nurul Afina binti Sumed (Ahli Kimia Proses Trienekens), ChM Halimah Binti Abdul Rahim (Pendaftar Majlis IKM) dan ChM Li Hui Ling (Ahli Majlis IKM).

Trienekens has won the IKM Laboratory Excellence Award for 2023, marking its ninth win since 2015, for its commitment to providing high-quality, competent laboratory testing services.

Trienekens Group CEO Stephen Chin credited the company's team of staff for their dedication and professionalism upon receiving the award, highlighting the commitment to providing efficient and high-quality services, which has enabled customers to obtain reliable and accurate results.

Chin emphasised that Trienekens aims to set new benchmarks in the industry by remaining steadfast in its efforts to provide high-quality services and by keeping customer satisfaction a top priority. Chin also thanked the State Government for the continued trust and support, spurring the company to greater achievements.

The Malaysian Institute of Chemistry recently hosted the IKM Laboratory Excellence Award event to recognise laboratories that have achieved competency in analytical work.

During the award ceremony held at Selangor's One World Hotel, Trienekens' Process Chemist Nurul Afina Binti Sumed was honoured to accept the award on behalf of the company. The award was presented by ChM Halimah Binti Abdul Rahim, Registrar of IKM Council.

Trienekens telah memenangi Anugerah Kecemerlangan Makmal Institut Kimia Malaysia (IKM) bagi tahun 2023, kemenangannya yang ke-sembilan sejak 2015, di atas komitmennya menyediakan perkhidmatan ujian makmal yang berkualiti tinggi dan cekap.

CEO Kumpulan Trienekens Stephen Chin menyatakan bahawa kemenangan tersebut adalah hasil dedikasi dan sifat professional anggota pasukannya yang menyerlahkan komitmen syarikat untuk menyediakan perkhidmatan yang cekap dan berkualiti tinggi, membolehkan pelanggan menerima keputusan yang boleh dipercayai dan tepat.

Chin menekankan bahawa Trienekens berhasrat untuk menetapkan penanda aras baharu dalam industri dengan kekal teguh dalam usahanya untuk menyediakan perkhidmatan berkualiti tinggi dan dengan meletakkan kepuasan pelanggan sebagai keutamaan. Chin juga berterima kasih kepada Kerajaan Negeri di atas kepercayaan dan sokongan berterusan sehingga membolehkan syarikat itu mendapat pencapaian yang lebih baik.

Institut Kimia Malaysia baru-baru ini menganjurkan majlis Anugerah Kecemerlangan Makmal IKM bagi mengiktiraf makmal yang telah mencapai kecekapan dalam kerja analisis.

Semasa majlis anugerah yang diadakan di Hotel One World Selangor, Ahli Proses Kimia Trienekens Nurul Afina Binti Sumed telah diberi penghormatan untuk menerima anugerah tersebut bagi pihak syarikat. Anugerah disampaikan oleh ChM Halimah Binti Abdul Rahim, Pendaftar Majlis IKM.

Trienekens and Swinburne Sarawak Sign MoU on Data Analytics and AI Technology Research

Trienekens dan Swinburne Sarawak Tandatangani MoU Bagi Penyelidikan Analisis Data dan Teknologi AI

Trienekens Group CEO Stephen Chin exchanging MoU documents with Ir Prof Lau Hieng Ho, the Pro Vice-Chancellor and CEO of Swinburne Sarawak. Looking on (behind from left) are Ts. Sudarnoto Osman, CEO of Sarawak Digital Economy Corporation (SDEC), YB Datuk Francis Harden Anak Hollis, Deputy Minister for Education, Innovation and Talent Development (Talent Development) and Prof. Jugdutt Singh, Chief Scientist and Chief Advisor for Digital Economy to the Sarawak State Government.

CEO Kumpulan Trienekens Stephen Chin bertukar dokumen MoU dengan Ir Prof Lau Hieng Ho, Naib Canselor Pro dan CEO Swinburne Sarawak. Turut menyaksikan (dari kiri belakang) ialah Ts. Sudarnoto Osman, CEO Sarawak Digital Economy Corporation (SDEC), YB Datuk Francis Harden Anak Hollis, Timbalan Menteri Pendidikan, Inovasi dan Pembangunan Bakat (Pembangunan Bakat) dan Prof. Jugdutt Singh, Ketua Saintis dan Ketua Penasihat Ekonomi Digital kepada Kerajaan Negeri Sarawak.

Trienekens and Swinburne Sarawak recently inked an MoU to forge a collaboration to explore the potential of applying data analytics and artificial intelligence (AI) for the smart management of solid waste and environmental sustainability.

Trienekens' comprehensive industry knowledge, combined with Swinburne Sarawak's expertise in data analytics, will pave the way towards transforming traditional waste management processes into more intelligent, effective and sustainable systems. The integration of data analytics and AI technologies will set a new benchmark that contributes to better resource utilisation, reduced environmental impacts, and improved overall waste management outcomes.

Trienekens dan Swinburne Sarawak baru-baru ini telah menandatangani MoU bagi menjalin satu kolaborasi untuk menerokai potensi mengaplikasi analisis data dan kecerdasan buatan (AI) untuk pengurusan sisa pintar dan kelestarian alam sekitar.

Pengetahuan industri Trienekens yang komprehensif, digandingi dengan kepakaran Swinburne Sarawak dalam analisis data, akan mengorak langkah ke arah mentransformasikan proses-proses pengurusan sisa tradisional kepada sistem-sistem yang lebih pintar, efektif dan mampan. Integrasi analisis data dan teknologi AI akan menetapkan penanda aras baru yang akan menyumbang kepada penggunaan sumber yang lebih baik, pengurangan impak-impak alam sekitar, dan hasil-hasil pengurusan sisa am yang lebih baik.

Shaping A Sustainable Future Together

Bersama Membentuk Masa Hadapan Lestari

Trienekens believes that collaboration between stakeholders is key to achieving continuous growth and improvement in sustainable business practices while promoting awareness, education and economic diversity. With this goal in mind, Trienekens actively engages with industry members, public authorities and clients to spread awareness, share experiences and promote sustainable actions while collectively contributing to the further development of modern environmental management systems.

Trienekens percaya bahawa kolaborasi di antara pihak berkepentingan adalah kunci untuk mencapai pertumbuhan dan pembaikan yang berterusan di dalam amalan perniagaan mampan di samping mempromosi kesedaran, pendidikan dan kepelbagaian ekonomi. Dengan matlamat ini, Trienekens terlibat dengan aktif bersama anggota-anggota industri, pihak berkuasa awam, dan para pelanggan untuk meningkat kesedaran, berkongsi pengalaman dan mempromosi tindakan-tindakan lestari serta menyumbang kepada pembangunan sistem pengurusan alam sekitar yang moden.

Familiarisation Visit by the Department of Environment (Sarawak) Lawatan Pengenalan oleh Jabatan Alam Sekitar (JAS) Sarawak

A group of officers from the Department of Environment (DOE) Sarawak led by its new Director Mr. John Rampai (fourth left) visited the Kuching Integrated Waste Management Park (KIWMP) as part of a familiarization visit to gain a better understanding on the facility's operations. The group was welcomed by Group CEO Stephen Chin, General Manager for Treatment and Disposal, Simon Chow (far left) and General Manager for HSE, Harris ak Michael Deho (third left).

Serombongan pegawai dari Jabatan Alam Sekitar (JAS) Sarawak diketuai oleh Pengarah En. John Rampai (keempat kiri) melawat Kuching Integrated Waste Management Park (KIWMP) untuk memahami dengan lebih jelas tentang operasi fasiliti tersebut. Rombongan tersebut disambut oleh Ketua CEO Stephen Chin, Pengurus Besar Rawatan dan Pelupusan, Simon Chow (hujung kiri) dan Pengurus Besar HSE, Harris ak Michael Deho (ketiga kiri).

Engagement with Community Leaders / Keterlibatan Bersama Ketua-Ketua Komuniti

A group of community leaders and representatives from the Mambong area recently made a visit to KIWMP to gain a deeper understanding on KIWMP's operations. Additionally, they discussed potential collaborations where the community could actively participate in sustainable waste management practices alongside Trienekens. Present to welcome the group was COO Alice Lee, General Manager for Treatment and Disposal, Simon Chow and General Manager for HSE, Harris ak Michael Deho along with the operations team.

Sekumpulan ketua kaum dan wakil-wakil penduduk dari Kawasan Mambong baru-baru ini melawat KIWMP untuk mempelajari dengan lebih dekat tentang operasi KIWMP. Selain itu, mereka juga berbincang tentang potensi kolaborasi dengan Trienekens yang membolehkan komuniti terlibat secara aktif dalam pengurusan sisa mampan. Hadir menyambut para tetamu ialah COO Alice Lee, Pengurus Besar Rawatan dan Pelupusan, Simon Chow dan Pengurus Besar, HSE Harris ak Michael Deho dan pasukan operasi.

Petronas HSE Management Assurance Audit/ Audit Jaminan Pengurusan HSE Petronas

Ensuring continuous improvements in services and operations is a top priority in Trienekens as it strives to deliver safe, quality, reliable and efficient services to its customers and the general public. Trienekens led by its Deputy Group CEO, Elvin Wee recently welcomed the PETRONAS Health, Safety and Environment (HSE) assurance audit team at the company's head office. The PETRONAS audit team, led by Team Leader Mr. Matius Jok, focused on assessing the company's compliance level with HSE legal and statutory requirements as well as PETRONAS's criteria for management of scheduled waste.

Memastikan pembaikan berterusan di dalam perkhidmatan dan operasi ialah satu keutamaan di Trienekens dalam usahanya memberikan perkhidmatan yang selamat, berkualiti, dipercayai dan efisien kepada para pelanggannya. Diketuai oleh Timbalan CEO Kumpulan, Elvin Wee baru-baru ini menyambut pasukan audit jaminan Kesihatan, Keselamatan dan Alam Sekitar (HSE) PETRONAS di ibu pejabat syarikat. Pasukan audit PETRONAS, diketuai oleh Ketua Pasukan En. Matius Jok, menumpu kepada penilaian tahap pematuhan syarikat kepada keperluan-keperluan perundangan dan peraturan HSE dan kriteria pengurusan sisa terjadual PETRONAS.

Industrial Engagement Visit by Curtin University Lawatan Keterlibatan Industri Oleh Universiti Curtin

Trienekens recently welcomed a delegation from Curtin University Malaysia, paving the way for potential collaborations on the development of sustainable waste management initiatives and innovations between the two organisations. Welcomed by Trienekens Group CEO Stephen Chin and COO Alice Lee, both parties later engaged in discussions that explored leveraging the expertise and knowledge of the waste management sector with those of scientific research and development. The 19-member team from Curtin was led by Associate Dean of External Engagement from the Faculty of Mechanical Engineering, Ir. Dr. Lim Chye Ing.

Trienekens menyambut lawatan sekumpulan delegasi dari Universiti Curtin Malaysia, lantaran membuka peluang berkolaborasi di dalam inisiatif-inisiatif dan inovasi pembangunan pengurusan sisa mampan di antara kedua-dua organisasi. Disambut oleh CEO Kumpulan Trienekens Stephen Chin dan COO Alice Lee, kedua-dua pihak juga berbincang tentang kerjasama melalui gabungan kepakaran dan pengetahuan dalam sektor pengurusan sisa dengan penyelidikan dan pembangunan saintifik. Pasukan yang dianggotai oleh 19 peserta dari Curtin diketuai oleh Timbalan Dekan Keterlibatan Luaran dari Fakulti Kejuruteraan Mekanikal, Ir. Dr. Lim Chye Ing.

HSE Month 2023 - Focusing on Preparedness

Bulan HSE 2023 - Fokus kepada Kesiediaan

Trienekens' management team, award winners and guests at the end of the HSE Day celebration in Kuching.
Pasukan pengurusan Trienekens, para pemenang anugerah dan tetamu di penghujung sambutan Hari HSE di Kuching.

Trienekens' HSE Month 2023 emphasised on strengthening safety and emergency preparedness at work as well as promoting healthy lifestyles among its employees. These core elements were aptly summed up as this year's theme - "Stay S.H.A.R.P. Stay Smart, Embrace Safety from the Start". S.H.A.R.P stands for "Saya Sihat Selalu", Health, Awareness, Readiness and Planning.

Speaking at the HSE Day celebration, Trienekens Group CEO, Mr. Stephen Chin, explained that the driving force behind the organising of HSE Month is its people. The activities were organised to foster and strengthen the sense of community and teamwork among the staff as well as promoting a work culture that prioritises safety awareness and collective responsibility.

The half day event also witnessed the launching of the Journey Management Plan (JMP) programme which highlighted the importance of commuting safety among the staff. A group of deserving individuals and teams, including sub-contractors, were later awarded for their outstanding achievements in health, safety and environmental practices. A similar event was also held at Trienekens Bintulu Branch which was attended by Trienekens' General Manager for HSE, Harris ak Michael Deho.

The month-long event included a wide range of activities, such as the Commuting Safety Support Programme by the Social Security Organisation (SOCSSO), emergency response training by BOMBA, health screening and talks by KPJ Kuching Specialist Hospital and Columbia Asia Hospital Bintulu, and an awareness talk by the Employees Provident Fund (EPF).

In addition to that, staff also took part in plogging and e-waste and recyclables collection activities as well as health and fitness programmes called "Quarter Quarter Half" and "Most Improved Body Mass Index (BMI)" which promoted the intake of healthy meals and regular exercises.

Bulan HSE Trienekens 2023 menekankan pengukuhan keselamatan dan kesiediaan kecemasan di tempat kerja serta menggalakkan gaya hidup sihat di kalangan pekerjanya. Elemen ini dirumuskan dengan tepat sebagai tema tahun ini - "Sentiasa Peka, Sentiasa Bijak, Amalkan Keselamatan dari Mula!" dengan akronim S.H.A.R.P yang bermaksud Saya Sihat Selalu, "Health" (Kesihatan), "Awareness" (Kesedaran), "Readiness" (Kesiediaan) dan "Planning" (Perancangan).

Berucap di sambutan Hari HSE syarikat, CEO Kumpulan Trienekens, Mr Stephen Chin menjelaskan bahawa penggerak utama penganjuran Bulan HSE ialah tenaga kerjanya. Pelbagai aktiviti dianjurkan untuk memupuk dan mengukuhkan semangat kemasyarakatan dan kerja berpasukan di kalangan staf serta menggalakkan budaya kerja yang mengutamakan kesedaran keselamatan dan tanggungjawab kolektif.

Sambutan separuh hari itu juga menyaksikan pelancaran program Rancangan Pengurusan Perjalanan (JMP) yang menekankan kepentingan keselamatan perjalanan dalam kalangan staf. Sekumpulan individu dan pasukan, termasuk sub-kontraktor, telah dianugerahkan atas pencapaian cemerlang mereka dalam amalan kesihatan, keselamatan dan alam sekitar. Majlis yang sama turut diadakan di Trienekens Cawangan Bintulu yang dihadiri oleh Pengurus Besar HSE Trienekens, Harris ak Michael Deho.

Sambutan selama sebulan itu merangkumi pelbagai aktiviti seperti Program Sokongan Keselamatan Perjalanan (CSSP) oleh Pertubuhan Keselamatan Sosial (PERKESO), latihan respons kecemasan oleh BOMBA, pemeriksaan kesihatan dan ceramah oleh Hospital Pakar KPJ Kuching dan Hospital Columbia Asia Bintulu dan ceramah kesedaran oleh Kumpulan Wang Simpanan Pekerja (KWSP).

Di samping itu, staf juga terlibat di dalam aktiviti "plogging", pengumpulan barang buangan elektrik dan elektronik (BEE) dan bahan kitar semula serta program kesihatan dan kecergasan "Suku Suku Separuh" dan "Indeks Jisim Badan (BMI) Paling Baik" yang menggalakkan pengambilan makanan yang sihat dan senaman yang kerap.

Electrical and Electronic Waste (BEE) Collection Campaign

Kempen Pengumpulan Buangan Elektrik dan Elektronik (BEE)

Improper disposal of electrical and electronic waste can cause soil and water contamination due to leaching of toxic substances such as mercury and lead. A number of electronics also contain valuable materials like gold, silver, copper, platinum, aluminium and cobalt which can be recovered and recycled, reducing significant impacts to the environment.

In 2023, Trienekens participated in a two-day BEE Buyback Campaign organised by Department of Environment (DOE) Sarawak, Natural Resources and Environment Board (NREB) Sarawak and Lundu District Council (MDL) at the Lundu Townsquare. The campaign aimed to raise awareness, encourage responsible disposal and promote sustainable practices among the public.

A similar campaign was also organised by Padawan Municipal Council (MPP) in collaboration with Trienekens and supported by DOE Sarawak and NREB Sarawak. The campaign was held at five designated collection points under the council namely Taman Malihah, 4½ mile Commercial Centre, Sentosa Parade Commercial Centre and 12th Mile Commercial Centre.

With the communities' encouraging response and support, the overall campaign collected a total of 8,000 kg of e-waste and 2,000kg of recyclables. The positive impact of community involvement indicated growing awareness and commitment towards sustainable practices, necessitating the need for continued efforts to promote responsible waste management.

Pembuangan sisa elektrik dan elektronik yang tidak betul akan mencemar tanah dan air disebabkan oleh resapan bahan toksik seperti merkuri dan plumbum. Beberapa alatan elektronik juga mengandungi logam berharga seperti emas, perak, kuprum, platinum, aluminium dan kobalt yang boleh diperolehi kembali atau dikitar semula, mengurangkan impak besar ke atas alam sekitar.

Pada 2023, Trienekens telah menyertai Kempen Beli Balik Pengumpulan Buangan Elektrik dan Elektronik (BEE) yang dianjurkan selama dua hari oleh Jabatan Alam Sekitar (JAS) Sarawak, Lembaga Sumber Asli Dan Alam Sekitar (NREB) Sarawak dan Majlis Daerah Lundu (MDL) di Dataran Bandar Lundu. Kempen tersebut bertujuan untuk meningkatkan kesedaran, menggalakkan pelupusan bertanggungjawab dan mempromosi amalan-amalan lestari di kalangan orang awam.

Kempen yang sama juga telah dianjurkan oleh Majlis Perbandaran Padawan (MPP) dengan kerjasama Trienekens disokong oleh JAS Sarawak dan NREB Sarawak. Kempen tersebut diadakan di lima tempat kutipan iaitu Taman Malihah, Pusat Komersial Batu 4 ½, Pusat Komersil Sentosa Parade dan Pusat Komersial Batu 12.

Dengan sambutan dan sokongan yang menggalakkan dari komuniti, keseluruhan kempen berjaya mengumpul 8,000kg BEE dan 2000kg bahan kitar semula. Impak yang positif hasil penglibatan komuniti menandakan peningkatan kesedaran dan komitmen terhadap amalan-amalan lestari dan promosi pengurusan sisa yang bertanggungjawab harus diteruskan.

Strengthening Team Safety and Preparedness

Mengukuh Keselamatan dan Kesiapan Pasukan

Emergency drills are crucial for fostering preparedness, minimising risks, and ensuring coordinated and effective response in event of unexpected or emergency situations. Trienekens recently conducted three emergency drills: a fire drill at the Kuching Integrated Waste Management Park (KIWMP), a spillage drill at Trienekens Bintulu Branch and a transportation drill at the Kuching Logistics and Services Depot's open storage area. The drills aimed to enhance the coordination and communication capability of the company's emergency response team (ERT) while verifying the effectiveness of the company's policies and procedures in response to any potential transportation and fire incidents or spillage. The drills also helped identify areas for improvement and reinforced the importance of a well-coordinated response to emergencies.

Latihan kecemasan adalah penting bagi menggalakkan kesiapan, mengurangkan risiko dan memastikan gerak balas yang selaras and berkesan jika berlakunya situasi tidak diduga atau kecemasan. Baru-baru ini Trienekens telah menjalankan tiga latihan kecemasan: latihan kebakaran di Taman Pengurusan Sisa Bersepadu Kuching (KIWMP), latihan tumpahan di Trienekens Cawangan Bintulu dan satu latihan pengangkutan bertempat di kawasan simpanan terbuka di Depot Logistik and Perkhidmatan Kuching. Latihan kecemasan tersebut bertujuan untuk memperkukuh kemampuan koordinasi dan komunikasi pasukan gerak balas kecemasan (ERT) syarikat sementara menentusahkan keberkesanan polisi dan prosedur syarikat yang melibatkan sebarang kejadian kebakaran dan pengangkutan atau tumpahan. Latihan-latihan tersebut juga membantu mengenal pasti sebarang penambahbaikan dan menekankan pentingnya satu gerak balas kecemasan ditangani dengan baik.

Kelihatan ialah Pengurus Kanan Cawangan Bintulu, Patricia Susie Nyisong (keenam kanan) dan staf bersama Christus anak Buson, Timbalan Penguatkuasa Bomba (tengah, berpakaian biru tua) dan Sat anak Rawing, Pegawai Bomba Kanan II (kelima kiri).

Building Competency Through Training Tingkatkan Kecekapan Melalui Latihan

In a fast-evolving job market, continuous professional growth and learning are crucial for adapting and thriving in a rapidly changing and technologically advanced environment. Trienekens Human Resources Division organised several training programmes to promote employee development and growth, and addressing the different needs of its employees.

Dalam pasaran pekerjaan yang pantas berubah, perkembangan dan pembelajaran profesional berterusan amatlah penting bagi menyesuaikan diri dan berkembang maju di dalam persekitaran yang cepat berubah dan lengkap dengan teknologi terkini. Bahagian Sumber Manusia Trienekens telah melaksanakan beberapa program latihan untuk mempromosi pembangunan dan perkembangan para pekerja serta memenuhi kepelbagaian keperluan kakitangannya.

“The Impactful Presenter” Workshop/ Bengkel “Penyampai Berimpak Tinggi”

Trienekens' staff from various divisions attended the “The Impactful Presenter” training workshop carried out by trainer Luke Bong of Great Minds Learning Technologies. The two-day workshop helped participants in preparing and delivering concise as well as effective presentations to their target audience.

Sekumpulan staf Trienekens dari pelbagai bahagian telah menghadiri bengkel latihan “Penyampai Berimpak Tinggi” dikendalikan oleh pelatih Luke Bong, dari Great Minds Learning Technologies. Bengkel dua hari tersebut membantu peserta menyampaikan pembentangan yang padat dan berkesan kepada khalayak sasaran mereka.

Commuting Safety Support Programme (CSSP) 2023 Program Sokongan Keselamatan Perjalanan (CSSP) 2023

Social Security Organisation (SOCSO) Sarawak recently organised a Commuting Safety Support Programme (CSSP) for Trienekens teams. The two-day programme aimed to raise awareness on commuting safety and teach various accident prevention techniques. The training was conducted by road safety experts from the Malaysian Institute of Road Safety Research (MIROS), Ir. Ts. Ahmad Noor Syukri bin Zainal Abidin (seated, second right) and Ts. Muhamad Syukri Abdul Khalid (seated, third left) and SOCSO En. Shamsulbahri bin Rahmat (seated, third right).

Pertubuhan Keselamatan Sosial (PERKESO) Sarawak telah menganjurkan Program Sokongan Keselamatan Perjalanan (CSSP) untuk kakitangan Trienekens. Program dua hari tersebut bertujuan meningkatkan kesedaran keselamatan perjalanan ulang-alik dan pembelajaran teknik pencegahan kemalangan. Latihan telah dikendalikan oleh pakar keselamatan jalanraya dari Institut Penyelidikan Keselamatan Jalan Raya Malaysia (MIROS), Ir. Ts. Ahmad Noor Syukri bin Zainal Abidin (duduk, kedua kanan) dan Ts. Muhamad Syukri Abdul Khalid (duduk, ketiga kiri) dan PERKESO En. Shamsulbahri bin Rahmat (duduk, ketiga kanan).

Management Engagement Session/ Sesi Keterlibatan Pengurusan

A series of engagement sessions between the management and operations teams were held as part of the company's efforts to enhance awareness on commuting safety. The sessions also discussed compliance with current safety procedures and identification of areas for improvement. About 250 drivers and loaders attended the sessions that were divided and conducted in smaller groups.

Satu sesi keterlibatan pengurusan telah diadakan secara bersiri di antara pihak pengurusan dan pasukan operasi sebagai salah satu usaha syarikat untuk mengukuh kesedaran tentang keselamatan perjalanan ulang-alik. Sesi-sesi tersebut turut membincangkan pematuhan prosedur-prosedur keselamatan sedia ada dan mengenal pasti sebarang penambahbaikan. Seramai 250 pemandu dan pemunggal menghadiri sesi yang diadakan secara berkumpulan.

Forklift Operator's Safety Training/ Latihan Keselamatan Pengendali Forklift

Trienekens Bintulu Branch conducted a forklift operator's safety training to enhance the teams' skills and knowledge in operating forklifts safely to prevent accidents and minimising any risks. The staff are seen here with the trainer, Branch Manager of UMW Industries (1985) Sdn. Bhd. Mr. Ting Kai Hung (front row, fourth right).

Trienekens Cawangan Bintulu telah menjalankan satu latihan keselamatan operator forklift untuk mengukuh kemahiran dan pengetahuan pasukan dalam mengendalikan forklift dengan selamat untuk mencegah kemalangan dan mengurangkan sebarang risiko. Pasukan dilihat bersama jurulatih, Pengurus Cawangan UMW Industries (1985) Sdn. Bhd. Ting Kai Hung (baris hadapan, keempat kanan).

Introduction to ESG - Steps Towards Sustainability Pengenalan kepada ESG - Langkah ke arah Kelestarian

A group of Trienekens teams from various divisions attended "Introduction to Environmental, Social and Governance (ESG) Training," which focused on enhancing the company's ESG framework to ensure sustainable and responsible business practices, and in keeping in alignment with international standards and regulations. The training was conducted by Ms Nor Faridah Abdul Aziz (seated, centre) from SIRIM STS Sdn Bhd.

Sekumpulan kakitangan Trienekens dari pelbagai bahagian telah menghadiri latihan "Pengenalan kepada Alam Sekitar, Sosial, Tadbir Urus (ESG)" yang bertujuan mengukuh rangka kerja ESG syarikat bagi mewujudkan amalan perniagaan yang mampan dan bertanggungjawab selari dengan standard dan peraturan antarabangsa. Latihan telah dikendalikan oleh Cik Nor Faridah Abdul Aziz (duduk, tengah) daripada SIRIM STS Sdn Bhd.

Supporting The Community

Menyokong Komuniti

Trienekens' corporate social responsibility (CSR) initiatives and sustainability efforts are an integral part in achieving the company's objective of being a catalyst for positive change. With the aims of building a healthy, safe and environmentally sustainable community, the company's CSR plan includes a wide scope of programmes aligned to its corporate vision, mission and policies. Trienekens' annual calendar of events is focused on community development, environmental protection, public awareness and education.

Inisiatif dan usaha kelestarian tanggungjawab sosial korporat (CSR) Trienekens merupakan sebahagian penting dalam mencapai objektif syarikat sebagai pemangkin perubahan positif. Dengan matlamat membina komuniti yang sihat, selamat dan alam sekitar yang lestari, pelan CSR syarikat menggariskan skop program yang luas dan selari dengan visi, misi dan polisi korporat syarikat. Kalendar acara tahunan Trienekens memberi tumpuan kepada pembangunan komuniti, perlindungan alam sekitar, pendidikan dan kesedaran awam.

(kiri) Pasukan Trienekens Cawangan Bintulu diketuai oleh Pentadbir Eksekutif Kanan, Doreen Lang (kelima kiri), bergambar bersama pasukan pentadbiran SK Tanjung Batu. (kanan) Pasukan Trienekens Cawangan Bintulu bersama cikgu dan murid SK Kidurong sewaktu Gotong-Royong Madani.

As an active member of the community, Trienekens recently extended its support to Kpg Seratau by donating several sets of solar lights to brighten up the village church's compound. Meanwhile, in Bintulu, Trienekens Bintulu Branch worked with Sarawak Rivers Board, SK Kidurong and SK Tanjung Batu in several clean-up activities as joint efforts to build a vibrant, healthy, safe and sustainable community.

Sebagai ahli komuniti yang aktif, Trienekens telah menghulurkan beberapa set lampu solar kepada Kpg Seratau sebagai bantuan untuk mencerahkan perkarangan gereja kampung. Sementara di Bintulu pula, Trienekens Cawangan Bintulu telah bekerjasama dengan Lembaga Sungai-Sungai Sarawak, SK Kidurong dan SK Tanjung Batu dalam beberapa aktiviti-aktiviti pembersihan sebagai gabungan usaha mewujudkan komuniti yang ceria, sihat, selamat dan lestari.

Celebrating One Another, Embracing Diversity Meraikan Sesama Rakan, Menyambut Kepelbagaian

More than 500 Trienekens staff and subcontractors attended the company's Annual Dinner event held respectively in Kuching and Bintulu. The exciting event was filled with fun entertainment by staff, themed with flairs of international cultures and mystery.

One of the event highlights was Trienekens Employee of the Year 2023 Awards presentation, which honoured the outstanding achievements and contributions of employees across various divisions.

This year's Employee of the Year Award recipients were Trelly Karphe Anak Rijos (KIWMP), Charling Anak Nais (Kuching Logistics and Services), Cynthia Anak Edward Daung (Head Office), Joelius Basil Anak Patrick (Bintulu Branch) and Matu Anak Grang from Bintulu Branch, who took home the coveted Overall Employee of the Year Award for 2023.

The night ensued with vibrant talent show performances and colourful best dressed competition showcasing the staff's amazing talents and best costumes, befitting the themes of 'International Cultural Night' for Kuching and 'Masquerade Night' for Bintulu.

Fostering Camaraderie Through Sports Menjalin Persahabatan Melalui Sukan

Trienekens recently participated in an exhilarating weekend filled with great sportsmanship and memorable moments at the friendly Muhibbah Sports Championship 2023 organised by the Department of Environment (DOE) Sarawak's Staff Welfare and Sports Club (KESSAR). The championship featured various games such as badminton, ping-pong, bowling and futsal, as well as a contingent march-in competition, drawing participations from DOE Sarawak, Natural Resources and Environment Board (NREB) Sarawak, Trienekens, PETRONAS Group and Sarawak Energy Berhad (SEB).

Trienekens baru-baru ini telah menyertai aktiviti hujung minggu yang menggembirakan dan dipenuhi semangat kesukanan yang hebat dan detik-detik yang tidak dapat dilupakan di Kejohanan Sukan Muhibbah 2023 anjuran Kelab Kebajikan dan Sukan Kakitangan (KESSAR) Jabatan Alam Sekitar (JAS) Sarawak. Kejohanan itu menonjolkan pelbagai permainan seperti badminton, ping-pong, boling dan futsal serta pertandingan kawad masuk kontinjen, yang menarik penyertaan daripada JAS Sarawak, Lembaga Sumber Asli dan Alam Sekitar (NREB) Sarawak, Trienekens, PETRONAS Group dan Sarawak Energy Berhad (SEB).

Team Trienekens! / Pasukan Trienekens!

Trienekens Conquers the Rapids Trienekens Takluki Jeram

Three teams from Trienekens took part in the recent Padawan Raft Safari 2023 in several categories namely the 22km Women's Rafting Team, 32km Open Rafting Team and the 40km Kayak Team. Over 200 teams from all over the world participated in the thrilling safari organised by Padawan Municipal Council at Kampung Annah Rais. Recreational participations such as these provide Trienekens team the opportunity to keep fit while fostering closer relationships and teamwork among coworkers.

Tiga pasukan daripada Trienekens telah menyertai Padawan Raft Safari 2023 di bawah beberapa kategori iaitu 22km Rakit Wanita, 32km Rakit Terbuka dan 40km Kayak. Lebih 200 pasukan daripada sembilan negara menyertai acara menyeronokkan yang dianjurkan oleh Majlis Perbandaran Padawan (MPP) di Kampung Annah Rais. Penyertaan rekreasi sebegini memberi peluang kepada pasukan Trienekens untuk kekal sihat sambil mengerat hubungan dan berpasukan di kalangan rakan sekerja.
